

# **Newport County Driving School**

## **Virtual Classroom Rules**

### BE PRESENT

- Students should be ON TIME for the Google Meets. ***Being more than a few minutes late will result in a student having to make up the time missed in the next scheduled class.***
- Students MUST ***keep their computer's camera on and have the camera focused on himself/herself.*** If a student has a problem with leaving their camera on, they must contact Mr. Kortick at classroom@newportcountydriivingschool.com. Class participation will be given a quiz grade at the end of the class.
- ***If an instructor feels that a student is not at his/her computer during a class, his/her parents will be contacted about making up the time missed in the next scheduled class.***

### BE RESPONSIBLE

- Students are expected to act in a mature and responsible manner when in the virtual class. ***If a student is acting immaturely, his/her parents will be contacted to discuss taking Drivers Ed at a later date.***
- Students are expected to give their best effort to complete assignments given in class.

### BE RESPECTFUL

- Students are expected to show respect for the instructors and other students in the class.

### BE FOCUSED

- Students are expected to pay attention to the instructors' directions. They should not have to repeat directions 3 or 4 times.
